

Need a Speaker for your Organization ?

VAHS has a cadre of knowledgeable individuals available to educate and entertain your group on various aspects of the Venice area.

Available Topics

as of January 2019

These programs are made available through volunteer efforts of VAHS members. Some topics are available on a limited basis. Timely scheduling of a topic is suggested.

- ◆ **Bertha Palmer:** *in-character representation of the famed benefactor of the South County area*
- ◆ **Mable Ringling:** *in-character informative portrayal of the wife of circus magnate John Ringling*
- ◆ **A Reflective View of Venice - from the Calusas to the Present Day:** *a broad, historical perspective on our area*
- ◆ **The Venice Depot - Then and Now:** *a view, over time, of a historic facility in the life of Venice**
- ◆ **How The Devil in the White City Connected Englewood and Venice - Exploring Area History Between 1893 and 1928:** *a historical perspective on local area times from the settlement period up to the Brotherhood of Locomotive Engineers' construction of Venice*
- ◆ **Eagle Point:** *the story of an early area in our community established by Bertha Palmer; now a historic district within the City of Venice*
- ◆ **The Historic Venice Train Depot:** *an overview of railroad and Depot history in Venice*
- ◆ **History of the Intracoastal Waterway:** *how the project came to be and its implementation**
- ◆ **History of the Venice Army Air Base:** *the story of this area's role in World War II and its legacy*
- ◆ **History of the Kentucky Military Institute (KMI) in Venice:** *an overview of the 37-year relationship between America's oldest private military school and its winter campus and the small, struggling town of Venice*

* Limited number of engagements for this topic; allow ample lead time for booking.
